

Formative Experiences

The Interaction of Caregiving, Culture, and Developmental Psychobiology

Editors: Carol M. Worthman, Paul M. Plotsky, Daniel S. Schechter, and Constance Cummings

Confirmed Contributors

Eileen Anderson-Fye, Ed.D., Assistant Professor and Associate Director, Schubert Center for Child Development, Case Western Reserve University; Assistant Research Anthropologist, Center for Culture and Health, NPI-Semel Institute for Neuroscience, University of California, Los Angeles

Ronald G. Barr, M.A., M.D.C.M., F.R.C.P.C., Professor, Department of Pediatrics, University of British Columbia; Director, Centre for Community Child Health Research; Director, Experience-based Brain and Biological Development Program, Canadian Institute of Advanced Research

Emily S. Barrett, Ph.D., Postdoctoral Fellow, UCLA Center for Healthier Children, Families & Communities

Anne E. Becker, M.D., Ph.D., Sc.M., Assistant Professor of Medical Anthropology and of Psychiatry, Harvard Medical School

Ursula Bellugi, Ed.D., Professor and Director, Laboratory for Cognitive Neuroscience, Salk Institute for Biological Studies

Marc H. Bornstein, Ph.D., Senior Investigator, Head of Child and Family Research, National Institute of Child Health and Human Development

Jean Briggs, Ph.D., Professor Emeritus, Department of Anthropology, Memorial University of Newfoundland

Stefan Brunnhuber, M.D., M.A. Ph.D., psychiatrist, Kliniken Essen Mitte at the Department of Internal Medicine/ Integrative Medicine, University Essen-Duisburg

Amy L. Busch, Ph.D., Postdoctoral Scholar, Department of Psychiatry, University of California, San Francisco

Flavia Bustreo, M.D., M. P.H., Deputy Director, The Partnership for Maternal, Newborn and Child Health (PMNCH), The World Health Organization (WHO); Senior Public Health Specialist, the World Bank / Health, Nutrition & Population; Special Advisor to the Norwegian Government Initiative on Millennium Development Goal 4 (the reduction of child mortality), WHO

Dante Cicchetti, Ph.D., McKnight Presidential Chair and Professor, Institute of Child Development and Department of Psychiatry, University of Minnesota; Director, Mt. Hope Family Center, Professor of Psychology, University of Rochester

Michael D. De Bellis, M.D., Ph.D., Professor of Psychiatry and Behavioral Sciences, Division of Child and Adolescent Psychiatry; Director, Healthy Childhood Brain Development and Developmental Traumatology Research Program, Duke University Medical Center

Hillary N. Fouts, Ph.D., Assistant Professor, Department of Child and Family Studies The University of Tennessee

Vivette Glover, Ph.D., Professor of Perinatal Psychobiology, Institute of Reproductive and Developmental Biology, Imperial College, London

Neal Halfon, M.D., Ph.D., Professor; Director, UCLA Center for Healthier Children, Families, and Communities, School of Public Health, University of California, Los Angeles

Geoffrey B. C. Hall, B.Sc., Ph.D., Assistant Professor, Department of Psychiatry and Behavioural Neurosciences, McMaster University

Christine M. Heim, Ph.D., Assistant Professor, Laboratory of Neuropsychopharmacology, Department of Psychiatry & Behavioral Sciences, Emory University School of Medicine

Gilbert Herdt, Ph.D., Chair and Professor, Human Sexuality Studies Program; Director, National Sexuality Resource Center, San Francisco State University

Jonathan Hill, MRC Psych, Professor of Child and Adolescent Psychiatry, Neuroscience Research Institute, University of Manchester

Myron A. Hofer, M.D., Sackler Institute Professor of Developmental Psychobiology, New York State Psychiatric Institute; Department of Developmental Psychobiology, Columbia University Medical Center

Kim L. Huhman, Ph.D., Associate Professor, Department of Psychology; Deputy Director, Center for Behavioral Neuroscience (CBN); CBN Aggression Collaboratory Head, Georgia State University

Aaron M. Jasnow, Ph.D., Postdoctoral Fellow, Department of Psychiatry & Behavioral Neuroscience Center for Behavioral Neuroscience, Kerry Ressler's and Don Rainnie's Labs, Yerkes National Primate Research Center, Emory University School of Medicine

Laurence J. Kirmayer, M.D., FRCPC, James McGill Professor and Director, Division of Social and Transcultural Psychiatry, Department of Psychiatry, McGill University; Director, the Culture & Mental Health Research Unit at the Department of Psychiatry, Sir Mortimer B. Davis—Jewish General Hospital in Montréal; Editor-in-Chief of *Transcultural Psychiatry*

Jaap M. Koolhaas, Ph.D., Professor and Head of Behavioral Physiology Group, Department of Animal Physiology, University of Groningen

Jill E. Korbin, Ph.D., Associate Dean; Professor of Anthropology; Co-Director, Schubert Center for Child Development, Case Western Reserve University

Julie R. Korenberg, M.D., Ph.D., Vice Chair of Research in the Department of Pediatrics and the Geri and Richard Brawerman Chair in Molecular Genetics at Cedars-Sinai; Director of the Neurofibromatosis Clinic at Cedars-Sinai; Professor of Pediatrics and Human Genetics at the David Geffen School of Medicine at University of California, Los Angeles (UCLA)

Alice Kuo, M.D., Ph.D., M.Ed., Assistant Professor in Pediatrics and Internal Medicine, UCLA; Assistant Director, UCLA Center for Healthier Children, Families & Communities; Program Director of the Community Health and Advocacy Training (CHAT) Program and the Combined Internal Medicine and Pediatrics Residency Program at UCLA

Robert Lemelson, Ph.D., President, The Foundation for Psychocultural Research; Assistant Research Anthropologist, Center for Culture and Health, NPI-Semel Institute for Neuroscience; Lecturer, Dept. of Anthropology, University of California, Los Angeles

Robert A. LeVine, Ph.D., Roy E. Larsen Professor of Education and Human Development, Emeritus; Professor of Anthropology, Emeritus, Harvard University

Alicia F. Lieberman, Ph.D., Irving B. Harris Endowed Chair in Infant Mental Health; Vice Chair, Academic Affairs; Professor of Psychiatry in Residence, Department of Psychiatry, University of California, San Francisco; Director, Child Trauma Research Project, San Francisco General Hospital

Dario Maestriperi, Ph.D., Associate Professor, Institute for Mind and Body, University of Chicago

Emeran A. Mayer, M.D., Professor, Depts. Of Medicine, Physiology and Psychiatry & Biobehavioral Sciences; Center for Neurovisceral Sciences & Women's Health; Director, Center for Neurobiology of Stress; Co-Director, CURE DDRC Division of Digestive Diseases, University of California, Los Angeles

Kai M. McCormack, Ph.D., Assistant Professor, Department of Psychology, Spelman College

Patrick O. McGowan, Ph.D., Postdoctoral Research Fellow, Sackler Program for Epigenetics & Psychobiology at McGill University, Montréal, Québec, Canada

Michael Meaney, Ph.D., C.Q., FRSC, Associate Director of the Research Centre, Douglas Institute; Researcher, Douglas Institute; James McGill Professor, Departments of Psychiatry and Neurology and Neurosurgery, McGill University; Director, Program for the Study of Behaviour, Genes and Environment, McGill University; Sackler Program for Epigenetics & Psychobiology at McGill University; Department of Psychiatry, Douglas Mental Health University Institute, Montréal, Québec, Canada; McGill Group for Suicide Studies, Douglas Mental Health University Institute, Montréal, Québec, Canada

Klaus K. Minde, M.D., FRCP(C), Professor of Psychiatry and Pediatrics, Montréal Children's Hospital, McGill University; Director of the Anxiety Clinic at the Montréal Children's Hospital

Urs M. Nater, Ph.D., Postdoctoral Research Fellow, Department of Psychiatry & Behavioral Sciences, Emory University School of Medicine, The Emory Mind-Body Program, and the Centers for Disease Control

Emily Ng, B.A., Project Assistant, The Foundation for Psychocultural Research

Matilda E. Nowakowski, Ph.D. candidate, Department of Psychology, Neuroscience & Behavior, McMaster University

Jaak Panksepp, Ph.D., Baily Endowed Chair of Animal Well-Being Science, Department of VCAPP, College of Veterinary Medicine, Washington State University

Sergio M. Pellis, Ph.D., Professor and Chair, Department of Psychology & Neuroscience, University of Lethbridge

Vivien C. Pellis, Ph.D., Research Associate, Department of Neuroscience, Canadian Centre for Behavioural Neuroscience, University of Lethbridge

Paul M. Plotsky, Ph.D., GlaxoSmithKline Professor; Director, Stress Neurobiology Lab; Professor, Departments of Psychiatry and Behavioral Sciences, Emory University School of Medicine; Professor, Departments of Psychology and Cell Biology, Emory University; Senior Scientist, Division of Neurobiology, Yerkes National Primate Center

Frank W. Putnam, M.D., Professor of Pediatrics and Psychiatry; Director, Mayerson Center for Safe and Healthy Children, Trauma Treatment Replication Center, Cincinnati Children's Hospital Medical Center

Keren Rabi, M.A., Clinical Research Assistant, McLean Hospital; Graduate Student, Massachusetts School of Professional Psychology

Judy Reilly, Ph.D., Professor, Department of Psychology, San Diego State University; member of the Laboratory of Psychology of the University of Poitiers (France), Laboratoire de Psychologie Langage, Memoire et Developpement Cognitif (LMDC) - Université de Poitiers-CNRS MSHS

Christine J. Reinhart, M.Sc., Graduate Student, Department of Neuroscience, University of Lethbridge

Jennifer Harris Requejo, Ph.D., M.A., M.H.S., Technical Consultant, The Partnership for Maternal, Newborn and Child Health (PMNCH), The World Health Organization (WHO); Research Affiliate, Population Research Center, The University of Texas at Austin

Kerry J. Ressler, M.D., Ph.D., Assistant Professor, Department of Psychiatry and Behavioral Sciences, Center for Behavioral Neuroscience, Yerkes National Primate Research Center, Emory University

Linda Richter, Ph.D., Executive Director, Child Youth Family & Social Development (CYFSD), Human Sciences Research Council, Durban, South Africa

M. Mar Sánchez, Ph.D., Assistant Professor, Department of Psychiatry and Behavioral Sciences, Emory University School of Medicine

Robert Sapolsky, Ph.D., John A. and Cynthia Fry Gunn Professor, Department of Biological Sciences, Stanford University

Daniel S. Schechter, M.D., Chef de l'Unité du Service de Liaison et de la Recherche Parent-Bébé, Pédiopsychiatrie / Hôpital des Enfants, Hôpitaux Universitaires de Genève, Switzerland; Adjunct Assistant Professor of Psychiatry, Division of Developmental Neuroscience and Director of Child Research, Columbia Psychoanalytic Center, Department of Psychiatry, Columbia University College of Physicians & Surgeons / New York State Psychiatric Institute; Director, The Parent-Child Interaction Project, Division of Developmental Psychobiology and Trauma Studies & Services

Louis A. Schmidt, Ph.D., Associate Professor, Department of Psychology, Neuroscience & Behavior, McMaster University

Sally Bernardina Seraphin, Ph.D., Research Fellow in Psychiatry, Developmental Biopsychiatry Research Program, McLean Hospital, Department of Psychiatry, Harvard Medical School

Ninik Supartini, Dra., Mental Health Program Consultant, International Organization for Migration, Indonesia

Moshe Szyf, Ph.D., Professor, Department of Pharmacology and Therapeutics, McGill University

Martin H. Teicher, M.D., Ph.D., Director, Developmental Biopsychiatry Research Program and Laboratory of Developmental Psychopharmacology, McLean Hospital; Associate Professor of Psychiatry, Harvard Medical School

Gustavo Turecki, M.D., Ph.D., Director, McGill Group for Suicide Studies, Douglas Institute; Head, Depressive Disorders Program, Douglas Institute; William Dawson Chair, Clinician scientist, Douglas Institute; Associate Professor, McGill University, Departments of Psychiatry, Human Genetics, and Neurology & Neurosurgery

Thomas S. Weisner, Ph.D., Professor of Anthropology, Center for Culture and Health, Semel Institute, Department of Anthropology, University of California, Los Angeles

Christoph Wiedenmayer, Ph.D., Assistant Professor of Clinical Neuroscience, Department of Psychiatry, College of Physicians and Surgeons of Columbia University

James M. Wilce, Ph.D., Professor of Anthropology; Editor, *Blackwell Studies in Discourse and Culture*, Northern Arizona University

Karla Jessen Williamson, Ph.D., Assistant Professor, Department of Educational Foundations, College of Education, University of Saskatchewan

Carol Zitzer-Comfort, Ph.D., Assistant Professor, Departments of English and Liberal Studies; Coordinator: Single Subject Credential Program, English Education, California State University, Long Beach
